## Congratulations to CPS, partner of edison365 for winning 2018 Microsoft Project and Portfolio Management Award

CPS, partner of edison365 announced they have won the 2018 Microsoft Project and Portfolio Management Award. The company was honoured among a global field of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

“We are immensely proud to have been recognised as the number one Microsoft Partner worldwide for our excellence in delivering world-class PPM solutions which is show cased by edison365; our award winning innovation and portfolio management solution,” said **Ivan Lloyd, CEO, CPS**. “Placing the client’s current challenges and on-going needs at the core of each and every solution, means we meet their operational needs today and in the future; driving innovation, incremental project success and positive business impacts.”

Awards were presented in several categories, with winners chosen from a set of more than 2,600 entrants from 115 countries worldwide. CPS was recognised for providing outstanding solutions and services in Project and Portfolio Management.

### Microsoft Project and Portfolio Management Award

“We are honoured to recognise CPS of the UK as a Microsoft Country Partner of the Year,” said **Gavriella Schuster, corporate vice president, One Commercial Partner, Microsoft Corp**. “CPS has distinguished itself as a top partner, exemplifying the remarkable expertise and innovation we see in our Microsoft partner community to deliver transformative solutions.”

The Microsoft Partner of the Year Awards recognise Microsoft partners that have developed and delivered exceptional Microsoft-based solutions during the past year.
