YOUR PROJECT EXPERTS

edison365 announce a Strategic Partnership with TPG The Project Group

Marlow, UK – today edison365, the award-winning business transformation platform, announced their strategic partnership with TPG The Project Group, an international full-service provider of consulting and solutions for enterprise.

This new partnership will allow TPG to provide their client base with the full suite of Ideation, Business Case and Portfolio Management modules of edison365.

“This is a great partnership for us and our first with an end-to-end partner in Germany,” said Rory Ashley, Partner Manager, edison365. “Our two organisations are deeply embedded in Microsoft technologies and intelligent PPM solutions, creating a great synergy for our forward working partnership.” Said Ashley.

“edison365 adds a new dimension to our client offerings and a solid emphasis on ideation and the subsequent pull through to project solutions,” said Kathryn Dixon, Global Sales and Partner Manager, TPG The Project Group.

About edison365:

The edison365 suite leverages Microsoft Office 365 to deliver accelerated business transformation, providing the freedom to crowdsource ideas from employees, and the method to implement them. Combining innovative award-winning Ideation, Business Case and Portfolio Management modules, edison365 turns good ideas into great business solutions that deliver benefits.

About TPG The Project Group
